Choose the alternative that indicates the kind of conjunction used in the example below.
Either Joshua or Maggie are going to the Chinese restaurant with Silvia.
Resposta

Resposta Selecionada: d.
Alternative.

Resposta Correta: d.
Alternative.

Feedback da resposta: Alternativa: D
Comentário: “Ou” Joshua “ou” Maggie vão ao restaurante chinês com Silvia. Portanto, “either”, “or” dão ideia de alternância na oração.

- **Pergunta 2**

Choose the alternative that indicates the kind of conjunction used in the example below.
Mary is going to the night club but Paola isn’t.
Resposta

Resposta Selecionada: c. Contrast.
Resposta Correta: c. Contrast.

Feedback da resposta: Alternativa: C
Comentário: Mary vai ao clube noturno, “mas” Paola não vai. A conjunção destacada na sentença tem função adversativa ou de contraste.

- **Pergunta 3**

Mark the alternative that has the words correctly translated:
Resposta

Resposta Selecionada: c. Eventually = finalmente; (2) baton = cacetete; (3) pull = puxar; (4) push = empurrar.
Resposta Correta: c. Eventually = finalmente; (2) baton = cacetete; (3) pull = puxar; (4) push = empurrar.

Feedback da resposta: Alternativa: C
Comentário: a única alternativa que traz os falsos cognatos corretamente traduzidos é a “c”. Nas demais, há pelo menos um exemplo de tradução errada de seus significados. “a” (sensible = sensato; amass = acumular); “b” (politics = política); “d” (grip = agarrar) e “e” (pasta = massa).

Pergunta 4

0,5 em 0,5 pontos

Mark the alternative that shows a right example of frequency adverb:
Resposta

Resposta Selecionada: a. My family and I usually go to the club on the weekends.

Resposta Correta: a. My family and I usually go to the club on the weekends.

Feedback da resposta: Alternativa: A
Comentário: a única alternativa que traz um exemplo de advérbio de frequência é a “a”, pois “usually” (geralmente) indica com que frequência alguém realiza algo. As demais alternativas não trazem exemplos de advérbios de frequência; “b” (at 7pm = time); “c” (when I arrive from college = adverbial clause of time); “d” (carefully = manner) e “e” (beautifully = manner).

Pergunta 5

Read the sentence below and mark the alternative that brings the function of the conjunctions that are underlined:
Not only Frank but also Susan are going to the theater next Saturday.
Resposta

Resposta Selecionada: b. Additio n.

Resposta Correta: b. Additio n.

Feedback da resposta: Alternativa: B
Comentário: “Não apenas” Frank, “mas também” Susan estão indo ao teatro sábado que vem. As conjunções sublinhadas têm função de adição dentro da oração.

Pergunta 6

Subordinate conjunctions connect the main clause to a subordinate clause. Read the example below and find out what kind of subordinate clause it is.
Bob arrived late for the meeting because of the traffic jam.

Resposta

Resposta Selecionada:	c. Reason.
Resposta Correta:	c. Reason.

Feedback da resposta: Alternativa: C
Comentário: Bob chegou atrasado para a reunião por causa do congestionamento. A conjunção “because of” indica o motivo pelo qual Bob se atrasou.

- **Pergunta 9**

0,5 em 0,5 pontos

Which alternative brings us an example of a word which is not a cognate?
Resposta

Resposta Selecionada:	a. Software.
Resposta Correta:	a. Software.

Feedback da resposta: Alternativa: A
Comentário: cognatas são palavras que têm a mesma origem, possuem grafias iguais ou muito próximas as da nossa língua. Podem pertencer, inclusive, várias (ou algumas) línguas, mas sempre com o mesmo significado. Nas alternativas “b”, “c”, “d” e “e”, as palavras são cognatas, pois hospital = hospital; similar = similar; familiar = familiar e radiotherapy = radioterapia. Como a questão pede um exemplo de não cognato, a alternativa “a” é a única que traz um exemplo correto, pois “software” é uma palavra de origem inglesa e que nós “pegamos emprestada” para uso do nosso vocabulário diário.

Which sentence below shows us an example of False Cognate?
Resposta

Resposta	a.

Selecionada:	Sensibl e.
Resposta Correta:	a. Sensibl e.

Feedback da resposta:	Alternativa: A Comentário: embora parecida com “sensível”, a palavra “sensible” é um falso cognato, pois seu significado correto é “sensato”. Todas as outras alternativas trazem como exemplos palavras cognatas porque se parecem com palavras da língua portuguesa e mantêm seu significado: “b” (different = diferente); “c” (hospital = hospital); “d” (doctor = doutor) e “e” (tomato = tomate).

Memorial Hospital

876 Polo Street

Maryland, 78564

Maryland, May 19,1998.

Dear Dr. Phyllis:

I would like to apologize for my absence very much. I am in a difficult situation. A member of the family has not been well, for he has been very sick and I have to take care of him, because nobody could do that but me.

There is nothing of much serious, thanks to God, but I need to stay at home for more two days until my sister returns from her travel. As soon as she comes, she will take care of him and so I will be free.

Please, understand my situation and I hope these two days will go fast, _____.

Faithfully yours,

Knowles Domestic Appliances

1112 Houston Boulevard

Los Angeles, California 90041

Los Angeles, May 18,1998

Dear Sirs:

When I placed my order on 30th March, I pointed out that the repair of my washing machine was done next week. However, it is 18th May and no repairman appeared in order to solve my problem.

I would like to ask you for the following request: Any repairman of your shop should come to my house until the end of this week because I cannot wait anymore. If my order cannot be accomplished, I will beg for changing my domestic appliance, which is in warranty.

I hope my problem will be solved.

Accept my thankfulness beforehand.

Yours faithfully,

Tony Martins (Ms.)

Read the cooking recipe below and mark the right alternative related to it:

Beef Braised in Rosemary Wine Sauce

Prep: 10 min, Cook: 50 min.

- 1-1/4 lbs round or chuck steaks, cut across the grain into 1/2 inch thick slices
- 2 tbs plus 2 tsp olive oil
- 3/4 onion, chopped
- 2 bay leaves
- 3/4 tsp rosemary, crumbled, or 2 tsp fresh, chopped
- 2-3/4 whole cloves
- 2/3 cup dry red wine or chicken stock
- 2-3/4 tsp tomato paste
- 1 cup chicken stock

Season steak with salt and pepper to taste. Heat oil in a heavy nonstick skillet over medium high heat. Sauté beef 5 minutes per side or until brown. Using a slotted spoon, transfer beef to a platter and set aside. Sauté onion, bay leaves, rosemary and cloves in same skillet 7-8 minutes or until onion is tender. Stir in remaining ingredients. Bring to a boil, stirring with a wooden spoon to deglaze. Return beef and any juices to skillet. Stir to coat beef with sauce. Reduce heat to medium low. Cover and simmer 20 minutes. Using a slotted spoon, transfer beef to platter.

Increase heat to medium high. Boil sauce 15 minutes or until thickened. Add juices from platter. Return beef to skillet and cook until just heated throughout.

The recommended wine is: Cabernet Sauvignon.

Read the passage below and complete the gap with the right pronoun:

Much as the first "Scream" movie gave horror cinema a jolt with self-consciously knowing characters who knew the bloody ins and outs of the genre — and were sadistically subjected to those clichés firsthand — "Friends With Benefits" starts from the premise that its characters, and you, are sick of the romantic comedy clichés they may secretly, or not so secretly, adore. In other words, the director Will Gluck, who wrote the script with Keith Merryman and David A. Newman, doesn't just want to have (1) _____ romantic comedy cake and eat it too, he also wants to throw it in your face and make you laugh as you lick the icing off your lips. The results are about as naughty as that sounds (not very), but it also makes for a fairly giggling good time.

Read the short passage below and the statements related to it. Decide which of them are correct:

Shakespeare's Theater Career:

At some point in the late 1580s, Shakespeare made the four-day ride to London, and by 1592 had established himself as a writer.

In 1594 came the event that changed the course of literary history – Shakespeare joined Richard Burbage's acting company and became its chief playwright for the next two decades. Here, Shakespeare was able to hone his craft, writing for a regular group of performers.

Shakespeare also worked as an actor in the theater company, although the lead roles were always reserved for Burbage himself.

The company became very successful and often performed in front of the Queen of England, Elizabeth I. In 1603, James I ascended the throne and granted his royal patronage to Shakespeare's company, which became known as The King's Men.

I- Shakespeare never traveled to London.
II- Shakespeare never acted in a play.
III- Burbage always had the lead roles at the theaters.
IV- The theater company was a failure.
V- The Queen of England, Elizabeth I never watched a play performed by the actors of the theater company where Shakespeare worked.

Published: July 21, 2011

Friends with Benefits, a breezy, speedy and (no kidding) funny comedy with a nicely matched Justin Timberlake and Mila Kunis that is about love and sex in the age of social networking, (1) _____ some of its juice and tang partly by trash-talking its own genre. The setup is familiar, as are the essential elements: a single man and a single woman, two battered hearts yet a pair of resilient, eager, pretty bodies. But Ms. Kunis's character is dark and savvy, not blond and dippy, and when she comically rails against an unseen Katherine Heigl you may sigh with relief (fingers crossed) that you're watching the "Scream" of romantic comedies. Read the texts below and identify them according to the textual genre: Texto 1:

Like his father, Shakespeare had excellent business sense. He had bought the largest house in Stratford-upon-Avon by 1597, he owned shares in the Globe Theater, and profited from some real estate deals near Stratford-upon-Avon in 1605.

Before long, Shakespeare officially became a gentleman, partly due to his own wealth and partly due to inheriting a coat of arms from his father who died in 1601.

Texto 2: Asian Shrimp Lo Mein

Prep: 10 min, Cook: 10 min.

- 2 cups chicken stock
- 6 ounces ramen noodles, seasoning packet discarded
- 2 tbs vegetable oil
- 1 lb packaged shredded cabbage, or coleslaw mix
- 6 scallions, slivered
- 2 tbs lime juice
- 1/2 lb small cooked shrimp
- 1 tbs peanut butter
- 1 tbs brown sugar
- 1/4 tsp crushed red pepper, or to taste
- 1/2 cup fresh cilantro , minced
- 1/4 cup peanuts, finely ground

Heat stock to a simmer in a wok or heavy skillet over high heat. Cook noodles 3-4 minutes, stirring occasionally, until noodles are softened and most of liquid is absorbed. Remove noodles from pan and set aside. Wipe wok clean with a paper towel. Return wok to high heat. Add oil. When hot, stir-fry cabbage and scallions 2 minutes until cabbage has wilted. Stir in noodles and remaining ingredients, except cilantro and peanuts, and stir-fry 2 minutes, until heated through. Serve with cilantro and peanuts sprinkled over top.
